The Fleet of Stars

Poul Anderson

The Fleet of Stars Poul Anderson

In *Fleet of Stars*, Poul Anderson brings back the wildly colorful Anson Guthrie, his iconoclastic hero from *Harvest of Stars*. The staid, somber people of Earth are not only dependent on technology, they are all but ruled by machine intelligence. Suspecting a conspiracy to suppress humankind's last vestiges of freedom, Guthrie begins a dangerous journey across the realm of the comets, the asteroids, and the stars themselves--willing to risk his life to preserve humanity's ability to roam the universe.
