Everything a man needs to know to become an infallible seducer of women, courtesy of a female pick-up artist

Kezia Noble is one of the first women to offer the aspiring pick-up artist advice on how to attract women from a woman's point of view. She runs many classes and a workshop, and even produces corporate videos on the chemistry of attracting women. Now, in answer to requests from her students, Kezia has written a book on the 15 steps to becoming a master seducer, the first and only sure-fire pick-up guide to be written by a woman. It has the potential to transform a lonely man into someone who need never be single again, unless, of course, he wants to be. Kezia is a no-nonsense teacher who always tells the truth, and works with her students instead of belittling them.
