On the outside he seemed to have it all: a happy marriage and family life, a successful career as an innovative school psychologist, respect in his community, but on the inside he was slowly falling apart: he was gay. After 25 years of living a secret double life his guilt was tearing him apart and he confessed to his wife. Her immediate rejection and divorce forced him to enter the challenging path of soul searching towards self-love and self-acceptance. In this deeply touching and engaging story, author/psychologist Lawrence J.W. Cooper shares the process that leads him from agony to ecstasy. Using biological and psychological information, his own life experiences, and his feelings expressed in poetic form, the author presents profound insights into what it means to be bisexual. This book may be of particular interest to you if you are struggling with your own sexual identity or that of a loved one. It provides valuable input for anyone seeking a balanced physical, emotional, and spiritual relationship regardless of sexual preference.
