Global Private Banking and Wealth Management: The New Realities David Maude

Wealth management is one of the areas in which banks and other personal financial services players are investing heavily. But the market is changing fast. Going forward, players therefore need to adapt their strategies to the new realities: what worked in the past will not, for the most part, be appropriate in the future. This unique book, written by a former McKinsey consultant, offers an up-to-date, detailed, practical understanding of this exciting area of financial services.
