Hija De La Fortuna: Novela Isabel Allende

Eliza Sommers es una joven chilena que vive en Valparaíso en 1849, el año en que se descubre oro en California. Su amante, Joaquín Andieta, parte hacia el norte decidido a encontrar fortuna, y ella decide seguirlo. El viaje infernal, escondida en la cala de un velero, y la búsqueda de su amante en una tierra de hombres solos y prostitutas atraídos por la fiebre del oro, transforman a la joven inocente en una mujer fuera de lo común. Eliza recibe ayuda y afecto de Tao Chi'en, un médico chino, quien la conducirá de la mano en un itinerario memorable por los misterios y contradicciones de la condición humana. *hija de la fortuna* es un retrato palpitante de una época marcada por la violencia y la codicia en la cual los protagonistas rescatan el amor, la amistad, la compasión y el valor.
