Prophet or Profit - Wall Street or Christ?: Who Will Be the Chosen One? (Prophet Model Series Book 3) Erica Wolf

If you are a non-believer, psycho-gender misfit, or other lost imbalanced soul looking for a collection of mindless commentary on the state of the Christian Church in America, THIS BOOK IS DEFINITELY NOT FOR YOU!

On the other hand, if you are discontent with your current spiritual quest, or you desire a far more meaningful experience from your religious experience, then this book may have answers you are seeking.

“Profit or Prophet – Wall Street or Christ” is being offered here on Amazon, to Honor Our Christ PROPHET Model, NOT the Wall Street PROFIT Model, and especially to support those who know the massive difference between the two!

The information contained in “Profit or Prophet–Wall Street or Christ” offers new insights on what might be wrong with our current church or religious experience, and offers a new direction for bringing true spirituality back into our lives, and our church.

Clearly, the Christian Church in America has been under siege by ruthless and greed driven psycho-genders on Wall Street, who have been seizing control of our church for quite some time, only now their siege appears to have evolved into outright warfare!

“Prophet or Profit” takes the reader on a journey that follows the transformation of our Christian Church to Corporate Church in America, and focuses on how the Power Elite and their Friends have co-opted our Christian Church to act as servant to Wall Street, rather than servant to Jesus or God.

The author discusses how the Christian Church in America went from being a Community Church in service to God and the community of man, to becoming the Corporate Church, Inc in service to Wall Street Elites and their Corporate Agenda.

In this highly revealing book, the author discusses how Wall Street hustlers were able to design a policy that would eventually force Christ right out of the Christ-ian Church in America, and impose themselves as Gods and proprietor of all things Christ-ian, and why.

The author discusses how our need to focus on our Jesus Prophet Model does not simply involve the congregation of most Christ-ian Churches, but focuses directly on our clergy!

In other words, our Jesus Prophet Model needs to serve as the definitive requirement for all Clergy who wish to continue presenting themselves as “Christ-ian” and Men of God.

Our clergy need to realize they will no longer be able to fake-it by simply telling their congregation to read scripture, and that they will be defined by every action they take and do not take, everything they say and do not say, and by everything they do, or do not do!

Our clergy need to realize that they need to begin reflecting the Christ-ian or “Christ-like” Prophet Model, with everything they say, and everything they do, always being a reflection of Jesus and the Prophet Model in every way!

As Christ-ians, we need to see the world through the eyes of Jesus, and the Prophet Model, and act accordingly in everything we do.

The difficult times we are facing today presents us all with the perfect opportunity to embrace our Christ-ian Spirituality, to embrace our Jesus Prophet Model, and learn to embrace Jesus as our true Spiritual Leader of the Christ-ian Church!

Now is the perfect time to embrace the spiritual journey necessary for bringing our Christianity back to Christ!

NOW IS ALSO THE PERFECT TIME TO SCROLL BACK TO THE TOP OF THIS PAGE AND ORDER THIS VITALLY IMPORTANT BOOK!
