Sharing Silver (Masters of the Castle) Tabitha Black

It's been six months since her vanilla marriage ended in divorce, and Sylvia is craving some fun and excitement - not to mention kink. So when her friend Rosa tells her about a slave auction being held at her workplace, the Castle, Sylvia throws caution to the wind and signs herself up to fly all the way to America to be sold off to the highest bidder under the nickname Silver. Gorgeous twin Castle Masters, Travis and Trevor, can have any girl they choose - and frequently do. The only downside to topping female guests, however, is the fact that there's never enough time to build trust. So when Trevor hears about the auction, he decides it's time to be selfish, and he and his brother set about looking for a plaything they can do whatever they want with - a girl with as few limits as possible.

When Silver and the twins meet, the chemistry is instantaneous and palpable. But all too soon, something more begins to develop between the three. What should have been a few days of physical excitement turns into an emotional roller coaster - not only for Silver, but for Travis and Trevor as well.

Overwhelmed by the events at the BDSM resort - and her feelings - Silver tries to get to grips with her past, as well as the fact that she's rapidly falling in love with the two biggest playboys in Ohio.

In turn, Travis and Trevor are smitten by the mysterious girl from Australia, but whenever they try to get closer emotionally, she clams up. Can the twins make her see what she means to them before it's too late, and Silver gets back on the plane home?

Originally part of the "When the Gavel Falls" Box Set Collection released in January 2015 (Amazon ASIN B00SQAUTXE)...5 full-length "Masters of the Castle" novels for one low price - \$9.99.
