**The Restored New Testament: A New Translation with Commentary, Including the Gnostic Gospels Thomas, Mary, and Judas**

**From acclaimed scholar Willis Barnstone, *The Restored New Testament*? newly translated from the Greek and informed by Semitic sources.**

For the first time since the King James Version in 1611, Willis Barnstone has given us an amazing literary and historical version of the New Testament. Barnstone preserves the original song of the Bible, rendering a large part in poetry and the epic Revelation in incantatory blank verse. This monumental translation is the first to restore the original Greek, Aramaic, and Hebrew names (Markos for Mark, Yeshua for Jesus), thereby revealing the Greco-Jewish identity of biblical people and places. Citing historical and biblical scholarship, he changes the sequence of texts and adds three seminal Gnostic gospels. Each book has elegant introductions and is thoroughly annotated. With its superlative writing and lyrical wisdom, *The Restored New Testament* is a magnificent biblical translation for our age.
