Zadkiel, Sibly

A Handbook of Dreams and Fortune-Telling (Cosimo Classics Paranormal) Zadkiel, Sibly
Hardened skeptics and true believers alike will delight in this one-volume presentation of two timeless references of the occult. Zadkiel's dream book offers a dictionary-style guide to interpreting your nighttime visions: To dream of standing in a carpeted room "denotes advancement to a state of riches," but watch out for mice, which indicate "many intermeddling enemies and slanderers"! Sibly's handbook on fortune telling promises "never-failing means for ladies to obtain good husbands, and husbands good wives" and reveals the secrets of astrology, physiognomy, palmistry, and other arts of divination. Londoner RICHARD JAMES MORRISON (1795-1874), aka Zadkiel, was among the first pop astrologers. His annual yearbook, first called *The Herald of Astrology* and later *Zadkiel's Almanac*, began publication in 1830 and was the first work in the field to appear in editions of tens of thousands of copies. English physician, alchemist, and astrologer Ebenezer Sibly (1751-1800) also wrote *A New and Complete Illustration of the Occult Sciences* and *The Complete Illustration of the Celestial Art of Astrology*.
