Intimate Seduction (Forged of Steele Book 7) Brenda Jackson

When a man finds a beautiful woman asleep in his bed...

...he has only one choice. To seduce her with a night of lovemaking she'll never forget. Trouble is, Donovan Steele's sultry new housekeeper is just as determined *not* to become the legendary playboy's latest conquest.

Trading the Ivy League for down South, Natalie Ford is helping out with her ailing aunt's housecleaning service. But she finds that this powerful, potent man of Steele ignites a different kind of chemistry—one that defies every law of attraction the science professor ever learned.

Natalie knows she has to come clean to Donovan about who she really is...especially when he starts believing she's out to sabotage his family business. Will she lose her chance to love the real man behind the seductive legend?
