Lincoln, Life-Size

Philip B. Kunhardt III, Peter W. Kunhardt, Peter W. Kunhardt Jr.

Lincoln, Life-Size Philip B. Kunhardt III, Peter W. Kunhardt, Peter W. Kunhardt Jr.

An essential collection of photographic portraits of Abraham Lincoln, in a striking format, from “the foremost family of Lincoln pictorial scholarship” (Harold Holzer).

This unique and beautiful book captures an overlooked but vital aspect of Lincoln: his face. While he was known as an ugly man, and he even joked about that reputation, Lincoln’s contemporaries often commented on his striking features—on how animated he became while telling stories, or how at more serious moments his face seemed to reflect his wisdom.

Taken across a span of nearly twenty years, from 1846 to 1865, these images provide us with a visual account of Lincoln’s intertwined political and personal lives as we watch him age and observe the toll taken by the Civil War in the final four years of his life. Here are a wide range of Lincolns—wise, bemused, melancholic, ruggedly handsome, downright homely—his complex character clearly evident in the changes in expression and affect these portraits capture. Each portrait is presented in both a standard size and in life-size, and is accompanied by a contemporaneous quote by or about Lincoln, enriching the story of his life as told through his continuously evolving image.

Offering an unprecedented window into Lincoln’s soul, *Lincoln, Life-Size* grants us a new appreciation of this extraordinary man and a glimpse of the force of character that made him great. It is a must for all Lincoln enthusiasts—and for anyone fascinated by our finest president.

Do you like reading a reserve? Confuse to looking for your favorite book? Or your book ended up being rare? Why so many problem for the book? But virtually any people feel that they enjoy intended for reading. Some people likes reading, not only science book but additionally novel and Lincoln, Life-Size or maybe others sources were given understanding for you. After you know how the truly great a book, you feel want to read more and more. Science e-book was created for teacher or maybe students especially. Those ebooks are helping them to add their knowledge. In other case, beside science guide, any other book likes Lincoln, Life-Size to make your spare time more colorful. Many types of book like this.

Ruby Harris:

As a student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's soul or real their pastime. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Lincoln, Life-Size can make you experience more interested to read.
