## **The Code of Silence Collection: Complete Series** Tim Shoemaker

This three-book bindup of Tim Shoemaker's Code of Silence novels takes readers on a series of realistic, nail-biting adventures.

In *Code of Silence*, friends Cooper, Hiro, and Gordy witness a robbery ... but when it appears several cops are behind the crime, they aren't sure who they can trust. Telling the truth could be deadly. But remaining silent could mean an innocent man's life.

In *Back Before Dark*, the three friends find themselves caught in a trap that leads to Gordy's abduction. As time goes by without any clues or messages from the kidnapper, Cooper takes things into his own hands. But his choices could place him in even greater danger.

Finally, in *Below the Surface*, what was meant as a peaceful summer vacation turns frightening when Hiro is convinced she witnessed a murder on the lake. Though her instincts are rarely wrong, it appears Hiro may be mistaken this time. Unless the strange accidents happening to Cooper and Gordy are signs of something deeper and more frightening than any of them could imagine.
