## **Upper Level ISEE Prep Guide with 6 Full-Length Practice Tests** Stephen Hayes

The Upper Level Independent School Entrance Exam® (ISEE) is often required for admission to American private high schools. This second edition book is one of the only, if not the only, offering of its kind that focuses solely on the ISEE and specifically the test for students applying to grades 9 through 12. Covering only the Upper Level ISEE allows us to offer a very comprehensive guide: study plans, admissions advice, proven strategies, extensive concept review, 1200 vocabulary words, 2000+ practice problems, and 6 full-length practice tests. Versus the 1st edition, we've included more guidance and practice as well as revisions and corrections. General Academic is a Houston-based academic consulting firm. We initially created this book for our local clients; however, we now hope that you too will benefit from our research and experience even if you cannot make it into our office. Please note that ISEE® is a registered trademark of the Educational Records Bureau, which does not endorse this product.
