Charles Bronson: The 95 Films and the 156 Television Appearances Michael R. Pitts

This work covers Bronson's entire output in film and on television, and includes many film stills and photographs. Alphabetical entries list film or episode, complete cast and credits, and year of release. Accompanying each entry's plot synopsis and discussion is a survey of the critical responses to the work. The great Charles Laughton once said Bronson "has the strongest face in the business, and he is also one of its best actors." Pretty high praise for an actor who, though loved by fans worldwide, has been consistently underestimated by critics. Bronson's career has spanned five decades, from such television appearances in *The Fugitive*, *Rawhide*, *Bonanza* and *Have Gun, Will Travel* as well as the telemovie *A Family of Cops* (1995) and its two sequels. He will long be remembered for his role as urban vigilante Paul Kersey in the *Death Wish* films. Bronson is one of the most enigmatic, and also most recognizable, of all film stars.
