## **Becoming the Tupamaros: Solidarity and Transnational Revolutionaries in Uruguay and the United States** Lindsey Churchill

In *Becoming the Tupamaros*, Lindsey Churchill explores an alternative narrative of US-Latin American relations by challenging long-held assumptions about the nature of revolutionary movements like the Uruguayan Tupamaros group. A violent and innovative organization, the Tupamaros demonstrated that Latin American guerrilla groups during the Cold War did more than take sides in a battle of Soviet and US ideologies. Rather, they digested information and techniques without discrimination, creating a homegrown and unique form of revolution.

Churchill examines the relationship between state repression and revolutionary resistance, the transnational connections between the Uruguayan Tupamaro revolutionaries and leftist groups in the US, and issues of gender and sexuality within these movements. Angela Davis and Eldridge Cleaver, for example, became symbols of resistance in both the United States and Uruguay. and while much of the Uruguayan left and many other revolutionary groups in Latin America focused on motherhood as inspiring women's politics, the Tupamaros disdained traditional constructions of femininity for female combatants. Ultimately, *Becoming the Tupamaros* revises our understanding of what makes a Movement truly revolutionary.

#### **Nancy Gump:**

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's internal or real their interest. They just do what the professor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So ,

this *Becoming the Tupamaros: Solidarity and Transnational Revolutionaries in Uruguay and the United States* can make you truly feel more interested to read.
