Burnout: The Complete Series Dahlia West

The complete box set of the Burnout series.

Meet the men of Burnout. Five ex-Army Rangers who've settled in Rapid City, South Dakota. Five men who've decided that friends are the family you choose.

Shooter (Burnout 1)

Chris "Shooter" Sullivan has returned to his home town of Rapid City, South Dakota to pick up the pieces of his life shattered by a roadside bomb in Iraq. He only wants to focus on holding what's left of his old unit together, running his garage where he builds custom bikes and cars, and pretending that his murdered father's motorcycle gang doesn't exist.

Tex (Burnout 2)

Mark Marsten traded the Texas range for the Army Rangers years ago and never looked back. Now, he's settled permanently in Rapid City with the remaining members of his Special Forces unit. He thought he had it all, well almost anyway. Until a sassy redhead with a sharp tongue and body to die for rolled into town.

Slick (Burnout 2.5)

Sarah Sullivan survived the unimaginable. Now she's found love and friendship, everything a woman could possibly want. Or should want. But Sarah wants more. Even if it means she might lose everything she's gained in the process.

Hawk (Burnout 3)

Hawk Red Cloud lives by his own set of rules: Don't let them share the saddle, don't bring them home, and never spend the night. So far, he's managed to avoid commitment like the plague.

Easy (Burnout 4)

Jimmy "Easy" Turnbull lost more than just his lower right leg during his time in Iraq. The confident man whose good looks charmed countless women into bed has been gone for over three years. In his place is a surly and defensive wounded warrior plagued by self-doubt and anger.

Vegas (Burnout 4.5)

When Abby Raines moved to Rapid City, South Dakota she was gambling for a chance to live out her

dreams. She hit the jackpot and now has the swankiest hotel and the hottest boyfriend in the state, but she's still not completely satisfied. She's doubling down on a future with the only man who makes her weak in the knees (when she's not kneeling on them), the only man she'd ever call 'Sir.'

Doc (Burnout 5)

Caleb Barnes is on a mission. He's retired from the Army, but he's waging his own private war now. And though the men of Burnout are his former brothers-in-arms, Caleb fights his battles alone.

From reader reviews:

Linda Brown:

Within other case, little individuals like to read book Burnout: The Complete Series. You can choose the best book if you'd prefer reading a book. Given that we know about how is important a new book Burnout: The Complete Series. You can add information and of course you can around the world by a book. Absolutely right, mainly because from book you can know everything! From your country until eventually foreign or abroad you may be known. About simple matter until wonderful thing it is possible to know that. In this era, we can easily open a book as well as searching by internet product. It is called e-book. You can utilize it when you feel bored stiff to go to the library. Let's study.

Jonathan Solis:

Playing with family inside a park, coming to see the ocean world or hanging out with good friends is thing that usually you might have done when you have spare time, in that case why you don't try matter that really opposite from that. One activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Burnout: The Complete Series, you are able to enjoy both. It is fine combination right, you still desire to miss it? What kind of hang type is it? Oh come on its mind hangout folks. What? Still don't buy it, oh come on its referred to as reading friends.

Dolores Young:

Is it you actually who having spare time and then spend it whole day through watching television programs or just lying down on the bed? Do you need something totally new? This Burnout: The Complete Series can be the respond to, oh how comes? It's a book you know. You are consequently out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these ebooks have than the others?

Ronald Canty:

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's spirit or real their interest. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Burnout: The Complete Series can make you feel more interested to read.
