A different time...

A different place...

What if you were there?

More than 200 years ago, two thousand people lived in the town of Williamsburg, Virginia.

If you lived back then

What would your house look like?

What games and sports would you play?

Would you go to school?

What happened when you were sick or hurt?

This book tells you what it was like to grow up in colonial days, before there was a United States of America.
