Into the Bermuda Triangle: Pursuing the Truth Behind the World's Greatest Mystery Gian Quasar

Still unsolved, still baffling, still claiming new victims. Here are the untold stories.

A pilot reports a strange haze enveloping his plane, then disappears; eleven hours after fuel starvation, as if calling from a void, he is heard 600 miles away. He requests permission to land, then vanishes forever. A freighter steaming over placid seas disappears without a trace. A pleasure yacht ghosts past without a soul on board. A pilot calls for help because a "weird object" is harassing his plane. A jet collides with an "unknown" and is never found. . . .

Into the Bermuda Triangle is the first comprehensive examination of these baffling disappearances in more than a generation. Drawing on official reports from the NTSB and other investigative agencies as well as interviews with scientists, theorists, and survivors, leading authority Gian Quasar not only sets the record straight on previously examined cases, he also offers a bulging file of new cases, the collective results of his twelve-year investigation. In meticulous detail this unflinching account:

- Documents confirmed disappearances of airplanes and ships
- Gathers new testimony and reexamines old interviews from eyewitnesses and survivors
- Explores possible explanations ranging from zero-point energy to magnetic vortices
- Challenges our assumptions with the sheer weight of accumulated evidence

In this age of technological and scientific discovery, there are still mysteries that transcend understanding. The Bermuda Triangle is one.

"The best book I've ever read on this important subject."?Andrew Griffin, *The Town Talk*

From reader reviews:

Gavin Wilkins:

What do you concentrate on book? It is just for students as they are still students or the item for all people in the world, the actual best subject for that? Merely you can be answered for that issue above. Every person has several personality and hobby per other. Don't to be pressured someone or something that they don't desire do that. You must know how great and also important the book Into the Bermuda Triangle: Pursuing the Truth Behind the World's Greatest Mystery. All type of book could you see on many resources. You can look for the internet sources or other social media.

Sandra Passmore:

This book untitled Into the Bermuda Triangle: Pursuing the Truth Behind the World's Greatest Mystery to be one of several books this best seller in this year, this is because when you read this reserve you can get a lot of benefit on it. You will easily to buy this kind of book in the book retail outlet or you can order it by means of online. The publisher on this book sells the e-book too. It makes you more readily to read this book, since you can read this book in your Smartphone. So there is no reason to you to past this e-book from your list.

Richard Diller:

Reading a reserve can be one of a lot of pastime that everyone in the world likes. Do you like reading book so. There are a lot of reasons why people fantastic. First reading a e-book will give you a lot of new info. When you read a book you will get new information mainly because book is one of many ways to share the information or maybe their idea. Second, studying a book will make you more imaginative. When you examining a book especially fictional book the author will bring that you imagine the story how the people do it anything. Third, it is possible to share your knowledge to others. When you read this Into the Bermuda Triangle: Pursuing the Truth Behind the World's Greatest Mystery, it is possible to tells your family, friends as well as soon about yours reserve. Your knowledge can inspire the others, make them reading a e-book.

Sharon Brogdon:

The reason? Because this Into the Bermuda Triangle: Pursuing the Truth Behind the World's Greatest Mystery is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will distress you with the secret this inside. Reading this book alongside it was fantastic author who all write the book in such remarkable way makes the content inside easier to understand, entertaining way but still convey the meaning fully. So , it is good for you because of not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of advantages than the other book get such as help improving your skill and your critical thinking approach. So , still want to hesitate having that book? If I were being you I will go to the book store hurriedly.
