Despite the spotty record on the part of educators in utilizing popular culture resources, there exist a significant number of titles--including traditional reference categories such as biographical sources, encyclopedias, handbooks, etc.--possessing inherent research value. Even those tools geared primarily to casual reading by a lay audience which were once available primarily through mail order firms and retail stores, are now found in libraries to an increasingly greater degree. The resources comprising TELEVISION AND FILM: AN ANNOTATED BIBLIOGRAPHY OF RESEARCH MATERIALS have been culled from essentially the same sources a searcher might employ in accessing a wide range of present-day topics, most notably catalogs and union lists of library holdings (many of which are now available online). .
