Chogyam Trungpa

*The Collected Works of Chögyam Trungpa* brings together in eight volumes the writings of the first and most influential and inspirational Tibetan teachers to present Buddhism in the West. Organized by theme, the collection includes full-length books as well as articles, seminar transcripts, poems, plays, and interviews, many of which have never before been available in book form. From memoirs of his escape from Chinese-occupied Tibet to insightful discussions of psychology, mind, and meditation; from original verse and calligraphy to the esoteric lore of tantric Buddhism—the impressive range of Trungpa's vision, talents, and teachings is showcased in this landmark series.

Volume Two examines meditation, mind, and Mahayana, the "great vehicle" for the development of compassion and the means to help others. Chögyam Trungpa introduced a new psychological language and way for looking at the Buddhist teachings in the West. His teachings on human psychology and the human mind are included in this volume.
