Until the Darkness Goes Renee Ebert

Until the Darkness Goes The frank, moving account of Molly Morris, a woman who leaves New York and the conventional values and outlook of her headstrong mother to carve a tougher but more significant life. She emerges teaching history to high school students in a Long Beach, California barrio. Swept up by her strong physical attraction to Javier, and the warmth and closeness of his family, Molly makes it clear to her mother early in the story that the best laid upper middle class plans she once envisioned for her daughter have absolutely nothing to do with the dynamic and vibrant life Molly has chosen for herself. Molly's resolve and determination though are soon challenged when she and Javier suffer a tragedy. The compassionate and, at times, brutal account follows Molly as grief leads her to spiral down through drug addiction, even as she takes in a foster child, Nugent. The story chronicles her reckless abandonment of a well ordered life and the pursuit of a lover, Michael Dunn, a Hollywood attorney and, as it turns out, more "suitable" to her mother's taste. How Molly ultimately deals with her addiction and the choices that ultimately confront her will surprise all but the alert reader. Molly is bold and her story is void of sentimentality as we experience with Molly, Narcotic Anonymous meetings and foster care children, alongside the glitz of Hollywood parties.
