Up from slavery : an autobiography

Washington Booker T.

Up from slavery : an autobiography Washington Booker T.

This volume is the outgrowth of a series of articles, dealing with incidents in my life, which were published consecutively in the Outlook. While they were appearing in that magazine I was constantly surprised at the number of requests which came to me from all parts of the country, asking that the articles be permanently preserved in book form. I am most grateful to the Outlook for permission to gratify these requests.
