## **A Biblical Defense of Capitalism** Lee Enochs

Is Capitalism the best economic system for America? Due to massive national debt and deficit spending, many people around the country are arguing that the current financial model operating in the United States is unsustainable and some other are even arguing that free market capitalism should not be the foundational economic system of this nation. In the face of these persistent calls of overhauling America's economic system, dynamic new author Lee Enochs would like to argue that free market capitalism is the economic model most compatible with the economic principles delineated by the authors of sacred Scripture and, that free market capitalism should be maintained as the fiscal model for America's economy!
