## A Moment of Silence: Midnight III (The Midnight Series) Sister Souljah

In her next heart-pounding novel of passion, danger, temptation, and adventure, *New York Times* bestselling author Sister Souljah returns to the story of Midnight.

Handsome, young, Muslim, and married to two women living in one house along with his mother, Umma, and sister, Naja: can Midnight manage? He is surrounded by Americans who don't share or understand his faith or culture, and adults who are offended by his maturity, intelligence, or his natural ability to make his hard work turn into real money. He is calm, confident, and cool, Ninja-trained and powerful, but one moment of rage throws this Brooklyn youth into a dark world of dirty police, gangs, guns, drugs, prisons, and prisoners. Everything he ever believed, every dollar he ever earned, and all of the women he ever loved—including his mother—are at risk.

Will his manhood be taken, broken, or altered? Can he maintain his faith among the heathens? Outnumbered, overruled, and deeply envied—how can he possibly survive? Will the streets convert him? What can he keep? What must he lose?

In this heart-pounding adventure, thriller, and intense narrative, *New York Times* bestselling author Sister Souljah has penned her most passionate and engrossing novel to date. Raw and uncompromising, her storytelling highlights and ignites the ongoing struggle of young men worldwide, to more than survive, but to live strong, to earn, to have the right to love and protect their families, to receive justice, and to be free.
