Most of us have experienced what we call the “dirty dishes dilemma.” It’s that moment when your precious child is looking up at you, toy in hand, asking you to play. She is irresistible...wide-eyed, eager, and super cute! Then why is it so hard to say yes? The answer is we have a lot to do!!! Laundry that has to be folded, phone calls to be returned, and yes...dishes to be washed! PLAY ON PURPOSE will help! Family time and play can be used to help children learn and develop. The best part is, you can still handle the "to-do list!" We aren't advocating adding anything else to your busy life. What we are suggesting is family time implemented in a way that provides a good basis for your kids to enter school, allows for deeper family connections...and yes, even lets you get the dishes done, guilt free!
